Secretary Report

We have setup slack (<https://slack.com/>) area for the Board of Directors to document our discussions. We are currently working on several items, including the Campout, Bylaws Updates, and Executive Committee.

We have held one Executive Committee vote on the Cache-Cadia name change. It was an unanimous vote to rename it to Cache-Cadian (We didn't talk about the hyphen. Some people are using it, others are not using it.)

We have had several votes on Bylaws changes which will be presented to the full board upon completion.

Comments: <mc3cats> If you have a suggestion for a bylaw change, please forward that to a committee member. The members are Jerry (Martin5)Chandra, Broncos, myself, Jim TerribleTs and Rambudo (Russel)

<Mc3cats> Anyone can present a question to any of the committee members which is Jerry, myself, Chandra, Russell and Jim

Comments: Chandra: APE: I have been notified by the State Park that another event is scheduled at Hyak the same day. However, it will not interfere with APE, and they will be gone by the time we arrive for setup. It will be the start point of a Tunnel Marathon race to North Bend. They are bussing the participants to Hyak for the race. If they park there, they are disqualified.

Also, I have contacted Compass Outdoor Adventures in North Bend, to see if they are interested in bringing mountain bikes to the event to rent out in 2 hour installments. They do this at Tiger and Duthie Mountain bike parks. I think this would be a good option for out of town visitors.

SWAG orders are live, please encourage people to get orders in early.

Outreach

Report by Mc3cats

Outreach Report for March 2018 Meeting

The following are outreach activities that took place since the last meeting:

Recent Outreach Activities/Events

Outreach is heading into its busiest season. If the winter and early spring is any indication of what summer will be like, we will be the busiest year we have had so far!

Girl Scouts Troops @ HQ – 4/21/18

We were contacted by Terra with the Girl Scout Troop of Cadettes back March about an event at Lakeview Plaza (where Geo HQ is located). The scouts were working on their geocaching badges and wanted to work on them by visiting with us talking about geocaching and then went out to find some of the Geo HQ Geotour caches around Freemont. Deb (Squirrel50) assisted me and the two of us spent the day at “the center of the universe” teaching the young scouts about geocaching. We had a great time and I pretty sure the girls had a blast.

Boys Scouts Youth Outdoor Adventure Day – 5/12/18

On Saturday, Terrible Ts, JTCoffee & myself had a geocaching booth at the YOAD which this time was in Burien at Camp Schoenwald near Sylvester Middle School. The location was a bit of a hidden oasis. A wooded “camp” with bunkhouses, picnic areas and a lodge geared for scouts. This was our second year at this event. This event is sort of a Scouts “recruitment” event where kids get to try out some of the outdoor activities that Scouts do to try to get kids interested in the Scouts. This year, they did bottle rockets, orienteering, Dutch Oven cooking, robotics, archery and other outdoor events. Just like last

year, our booth was busy with kids and adults learning about geocaching and going out and finding the temporary caches we put out at the event.

GPS Requests

Tubataad has borrowed the GPS units to teach a geocaching class to his son's youth environment cache. The hand off occurred during the YOAD outreach event.

Upcoming Outreach Commitments

Dave Meyers, who is the Outdoor Program Manager and Cliffside RV Park Manager on Naval Air Station Whidbey, connected with us during the Recreation NW Expo in Bellingham a few months back and asked if we would be interested in doing an outreach on 6/30/18. I am, at this point, likely will be out of town for this request and will need **to find someone who can step up and help teach geocaching to Military Families. If you are interested, contact me ASAP so that I can get you connected with Dave.** Thanks.

Still in development, we have been contacted by HQ to help them with a lab adventure booth at the Pacific Science Center in mid-July for the PSCs "Curiosity Days". The theme for curiosity days is board and tech games. HQ is look at putting on an adventure during the Curiosity Days and have turned to the WSGA asking us to have a booth during the three-day event (7/13 – 7/15). Details of this outreach request are still being fine-tuned, but as soon as I know more I will be looking for some volunteers. I have reached to a few folks already but will likely need a couple people each day of this event. Let me know if you are interested.

Comments: mc3cats is looking for volunteers

Merchandise and Coin update.

Report by Bronco Fan 4life

We have completed an inventory of all merchandise for WSGA. I am working on getting items up on the store that are currently not up.

I have contacted a vendor that will print sweatshirts & crew neck t-shirts with tracking numbers on them. We will probably have those up on the store in June.

This same vendor will set up a page on their website that will have WSGA wearable items on it. They will handle inventory, printing and shipping. We will receive a percentage of the sales. This is a good thing for us, as we don't have to guess at what sizes, colors or styles that we should buy and then hold onto.

The vendor is Red Hat, <https://rhpromos.com> . They are an authorized vendor for Geocaching, so they know all of the rules with putting trackable numbers on wearables.

Comments: Martin5: Any chance we will get the WSGA logoed hats back again? I've had several people asking about them. Broncos: We will look into it.

Chapter Reports

48 North Chapter Report by Rambudo

April 27th through the 29th, 48 North held its now annual spring campout at Raser State Park - GC7J9XV. This event had 20 people camping and another 10 who came just for the day. There were 2 CITO events held nearby that were also well attended.

There are no upcoming events at this time.

Cache-Cadian Chapter Report by Mr. Gadget #2

Since our last meeting the following events have been held:

4-21-18 GC7JYNM Spring Fling Meet and Greet, 11 attended

4-22-18 GC7JZYN Frenchman Coulee CITO, 8 attended

4-28-18 GC7HBGM Rock Island Grade Road Cache and Trash, 10 attended

Then a new event is in the works for 5-24-18 GC7PAZ2 Fiesta! Summer Plans Meet and Greet.

I would like to take a moment at this time and in this report to express my family and our extended geocaching family for all of the wonderful cards and kind words of comfort you have shown during the passing of my wife Kathy. I want to thank the WSGA for the beautiful floral arrangement that was sent to us. It was very heart warming to see so many from afar who came to Quincy for the memorial service

Many have asked is Kathy had been sick or ill. No she was not. The only sign was about two hours earlier she mentioned she had heartburn and wished she had a 7up. The cause of death is listed as Coronary Artery Disease. It was very sudden and quick.

I am not certain at this time how much I will be giving to WSGA and our chapter. Time will tell.

South Central Chapter by Tumbleweedpirates

I'm tardy, sorry, weather's nice and yard work is upon us out on the South Central side. Plus, it is Jazz and Drama time with concerts and Drama acts most weekends for the next two months. This is our last year with high school!!!

I have had only two events this year and that is very good. Local cachers are setting up various events to support folks getting souvenirs and such and it is such a relief for me. I have held at least 100 events over the last 6 years under WSGA SC and GCSEWA and some under my account. I can't tell you all how happy I am of this outcome!

I have not mentioned, but I am now Vice President for the local Friends group at our state park. I have always been the Geocaching rep but with the new position I may start setting up events in more state parks in our region.

I have already set up two events to go with our MEGA this year and they are approved. They are the same two I have done since they started, the Lab Cache and Poker run kick off and the CITO on the last day. I didn't ask WSGA to sponsor that this year because I asked for reoccurring sponsorship last year and it didn't happen so I had to move on. Sorry guys, but the board has never seemed enthused to help this event and I just hate asking when I really don't have to.

In the meantime I am in a self-made mad dash to bring about a change to our Mega event this year, one we hope to expand upon next year by the 1000's of dollar size, LoL, for now we are just in the hundreds to make a Geo-Games event this year. I am performing most of the construction and the cities are doing the painting and sign making, oh and cash! LoL got to have cash....

Sorry not specific about events and dates but you guys know how to find them.

I will add, we lost a dear friend two weeks ago unexpectedly, Mrs Guy. Seven of us attended the funeral services and it was very nice. She was loved by many and was a serious loss to our family. She help me with a lot of events and was very good with kids. Her husband, Aguyotta, is a great man and always maintains a sense of humor. He included a trackable Oreo Cookie in her casket, which only funeral attenders could discover. We all chuckled at the bulletin at church because it held the tracking number printed inside on the bottom of a page.

Thank you for your time,

Mike

Puget Sound Chapter Report by SirKarp

Events Held:

Walpurgis Night – Marshmallow Roast GC7JVN1 was held on April 28th. This event was held in a

small space in Duvall. It's a small meeting room with a patio, the city okayed the use of a propane

firepit for roasting marshmallows, which worked out really well especially since the weather was not

the best that evening. Attendees were able to go outside, and roast marshmallows in between rain

drops and come inside to socialize. We held a general raffle as well.

Up incoming events:

Almost Summer Picnic – GC7JVNZ will be held on Saturday June 2nd at the Nissqually Picnic Shelter in Point Defiance park in Tacoma. Our theme this year will be Pirates, we have begun working on some decorations for the event, and a GPS game as well. As tradition we'll hold an early bird drawing, a WSGA members drawing, and a general raffle in addition to the potluck.

The Nightmare in Preston event is set for Saturday October 20th, at the VASA Hall in Preston. The theme will be Area 51 this year. All other details are TBA.

Additional thoughts:

I'd like to make an official announcement to the board (and in my report so it becomes a part of the record), before I make an announcement to the general Puget Sound membership, which I intend to do so at the Almost Summer Picnic. This will be my final year as chapter rep. I have truly enjoyed holding the events for the Puget Sound chapter for the past 4 years, but it is time for me to move on. So for this last term I will be focusing on what I love most about the job, holding the events. And less so on the board stuff, some of which I find to be quite difficult at times.

IE Chapter News:

A large group of geocachers from the IE Chapter are traveling to Nevada over Memorial Day weekend to cache the ET Highway, as not everyone can go to GeoWoodstock. We will be hosting an event at the start of our run, at the famous ET Highway road sign. Hopefully we will get some local cachers to stop by and attend too.

The summer of 2018 is going to be full of geo-weddings in the IE Chapter. Who needs eHarmony when you have Geocaching.com?

The 2018 Spokane Geo-Challenge kickoff date is on July 7, 2018. The theme of this year's challenge Spokane Trains and Railroads or "STAR" for short. Be sure to post a "Will Attend" on

GC7H6D9 to receive announcements on the challenge. Additional details to come at SpokaneGeoTour.com

The WSGA Summer Campout will be at the Mt. Linton RV & Trailer Park in Metaline, Pend Oreille County, on the weekend of July 28 & 29, 2018. J <https://www.facebook.com/MtLintonRvTrailerPark/> Rich Bain (the to life) and Tim Turner (Blue Meanie) will be placing up 30+ new geocaches, to be published prior and/or during the campout.

There are 18 coins remaining for the Pend Oreille County geo-challenge. The snows are melting and you can now access all of the caches. Although there still may be snow in some of the shaded areas.

South West Chapter Report by Squirrel50

since the last meeting the SW Chapter assisted squirrel50 with a CITO in Leverich Park in Vancouver that the WSGA SW Chapter is adopting we had muggles and cachers unite for this event and over 31 cachers alone showed up for this - coffee / donuts kicked it off / prizes and fun at the end.

the WSGA SW Chapter has a summer picnic coming up on July 15th in Lewisville Regional Park in Battle Ground WA and I recently heard back from the GEOregon folks and they would like to help out and assist in any way they can as well for this event.

the WSGA SW Chapter will also be holding a "Rest / Eat / Cache" event during the Vancouver WA Cache Machine on June 23rd (location TBD)

that is all I have for now

Olympic Peninsula Chapter report by GearGuru

All is quiet on the western front.

We held a Pie Day event in Port Orchard and had about 15-18 cachers attend.

Currently no other event scheduled at this time.

I am working with Lori Cassidy of Seabeck Tribe to try and schedule more events! She will be my proxy if I am unable to attend meetings going forward.

Life with 27 month old twins is keeping me very busy.

Parks Liaison Reports by Peaches (of Peaches&Pete)

Summary

I am once again pleased to report that no Park Liaison issues have been conveyed to me. If any of you hear of any issues with Parks that have assigned liaisons or those with no current liaison, please let me know so we can work together to investigate and help solve any issues that arise. There are no changes to any liaisons at this time, new or otherwise.

I attended the 48 North Spring Campout at Rasar State Park (thanks Rasar for comping our space for that weekend in the Salmon group camp). Got a chance to meet some new people, including one of the Park Liaisons that I had not met before.

Also, if you have ideas for the Parks Liaison area of WSGA, I'd be happy to talk to you about them. Just drop me a note through the Messaging section on Geocacing.com, or send me a note to annettepbailes@aol.com.

Looking forward to how we can help serve the WSGA in the coming year.

New business:

<Mc3cats> Mike (TumbleweedPirates) has tendered his resignation as SC Chapter rep.

<Mc3cats> We are actively looking for a new rep to represent the SC Chapter.

<Mc3cats> Looking for active WSGA member in Yakima down to TriCities and out to Walla Walla.

<Mc3cats> If any of you know of someone in that general area, please have them contact me or any of the other executive committee.

<jtcoffee> I can post that on the SC chapter FB page

<thetclife> Updates for campout...

<thetclife> I see that we filled full hookups in record time. Still a few dry rv sites...

<thetclife> last I checked...15 tent sites

<thetclife> The rv park wants to get a check once we are there.

<thetclife> No need to prepay before we get there.

Meeting was adjourned by mc3cats at 8:12 pm
